

Stainless Steel Couplings for PETROL CHEMICAL Industry NPT End Connection Ready to Ship

Our Product Introduction

For more products please visit us on flangespipefittings.com

Basic Information

- Place of Origin: CHINA
- Brand Name: KASUGAI
- Certification: ISO;PED
- Model Number: STAINLESS STEEL; DUPLEX ; SUPER DUPLEX
- Minimum Order Quantity: TO BE NEGOTIATED
- Price: TO BE NEGOTIATED
- Packaging Details: SEAWORTHY PACKING
- Delivery Time: 60 DAYS FOR ONE CONTAINER
- Payment Terms: L/C, T/T
- Supply Ability: 100 TONS / MONTH

Product Specification

- Material: Stainless Steel; Duplex; Super Duplex
- Size: 1/8
- Currency: USD; EURO; JPY
- Packing: Seaworthy Packing
- Delivery: 100 Tons/month
- Price Term: FOB; CNF; CIF; DDP;
- Origin: China

Product Description

Product Description:

The Stainless Steel Pipe Fittings offered by KASUGAI are top-quality products designed to meet the highest standards in the industry. With a delivery capacity of 100 tons per month, these fittings are readily available to meet your project needs in a timely manner. Price-wise, the Stainless Steel Pipe Fittings are priced per base material cost, offering transparency and cost-efficiency for your purchasing decisions. The pricing structure ensures that you get the best value for your investment in high-quality stainless steel fittings. When it comes to schedule, the Stainless Steel Pipe Fittings adhere to industry standards, ensuring compatibility and easy integration into your existing piping systems. Whether you require Stainless Steel Tees, Stainless Steel Unions, or Stainless Steel Elbows, these fittings are designed to fit seamlessly into various schedules, making them versatile and adaptable to different applications. The Stainless Steel Pipe Fittings meet rigorous standards such as ASME B16.11, MSS SP 75, MSS SP 83, and MSS SP 95, guaranteeing their quality, durability, and performance. These standards are a testament to the superior engineering and manufacturing processes that go into producing these fittings, providing you with peace of mind regarding their reliability and longevity. Choose KASUGAI as your trusted brand for Stainless Steel Pipe Fittings, and experience the difference in quality, performance, and customer satisfaction. With a commitment to excellence and customer service, KASUGAI delivers products that exceed expectations and set the benchmark for the industry.

Applications:

Stainless Steel Pipe Fittings from KASUGAI are versatile components that find extensive applications across various industries due to their premium quality and durability. With models available in STAINLESS STEEL, DUPLEX, and SUPER DUPLEX, these fittings are manufactured in China and come with ISO and PED certifications, ensuring high standards of production. These fittings, including Stainless Steel Unions, Tees, and Couplings, are suitable for a wide range of scenarios in industries such as fluid transportation, oil & gas, petrochemical, and mechanical engineering. Their robust construction and corrosion-resistant properties make them ideal for demanding environments where reliability is crucial. With a minimum order quantity that can be negotiated and pricing that is also subject to negotiation, KASUGAI offers flexibility to meet varying customer requirements. The fittings are packaged in seaworthy packing for safe transportation and have a delivery time of 60 days for one container, ensuring timely availability. Customers can choose from payment terms such as L/C or T/T, providing convenience in transactions. The supply ability of 100 tons per month ensures a steady availability of these fittings in the market. Available in a size of 1/8 and meeting industry standards, these stainless steel pipe fittings from KASUGAI are designed to deliver reliable performance in a wide range of applications. Whether it's connecting pipelines, redirecting flow, or joining sections of piping, these fittings offer a secure and leak-proof solution. Overall, KASUGAI's Stainless Steel Pipe Fittings are a dependable choice for industries looking for high-quality components that can withstand challenging conditions and maintain efficient operations.

Packing and Shipping:

Product Packaging:

Our stainless steel pipe fittings are carefully packaged to ensure safe delivery to our customers. Each fitting is first wrapped in protective material to prevent scratches and damage during transit. The fittings are then placed in a sturdy cardboard box with ample cushioning to prevent movement and absorbing any impact during shipping.

Shipping:

We offer nationwide shipping for our stainless steel pipe fittings. Orders are typically processed within 1-2 business days and shipped using reputable carriers such as UPS or FedEx. Customers will receive a tracking number once the order has been dispatched, allowing them to monitor the delivery status of their items. We take great care to ensure that our fittings reach our customers in a timely and secure manner.

FAQ:

Q: What is the brand name of the stainless steel pipe fittings?

A: The brand name is KASUGAI.

Q: What are the different model numbers available for the stainless steel pipe fittings?

A: The available model numbers are STAINLESS STEEL, DUPLEX, and SUPER DUPLEX.

Q: Where is the place of origin for these stainless steel pipe fittings?

A: The stainless steel pipe fittings are manufactured in China.

Q: What certifications do the stainless steel pipe fittings have?

A: The fittings have ISO and PED certifications.

Q: What is the minimum order quantity for the stainless steel pipe fittings?

A: The minimum order quantity is to be negotiated.
