

Certified Stainless Steel Pipe Fittings with JPY Currency PED Certification

1/8

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: KASUGAI
- Certification: ISO;PED
- Model Number: STAINLESS STEEL; DUPLEX ; SUPER DUPLEX
- Minimum Order Quantity: TO BE NEGOTIATED
- Price: TO BE NEGOTIATED
- Packaging Details: SEAWORTHY PACKING
- Delivery Time: 60 DAYS FOR ONE CONTAINER
- Payment Terms: L/C, T/T
- Supply Ability: 100 TONS / MONTH

Product Specification

- Delivery: 100 Tons/month
- Packing: Seaworthy Packing
- Application: FLUID; OIL & GAS; PETROL CHEMICAL; MECHANICAL
- Quality: Premium
- Price Term: FOB; CNF; CIF; DDP;
- End Connection: BSP;NPT
- Currency: USD; EURO; JPY

Product Description

Product Description:

The Stainless Steel Pipe Fittings offered are top-quality products originating from China, known for their exceptional durability and resistance to corrosion. These fittings are essential components for various piping systems, providing secure connections and efficient flow control. Manufactured with precision and expertise, these fittings are designed to meet the highest standards of performance and reliability.

Available in the size of 1/8, these Stainless Steel Pipe Fittings are versatile and suitable for a wide range of applications. The fittings are meticulously crafted to ensure a perfect fit and seamless integration into the piping system, guaranteeing leak-free operations and long-term functionality.

When it comes to price, the Stainless Steel Pipe Fittings are priced based on the current base material price. The price terms include FOB (Free On Board), CNF (Cost and Freight), CIF (Cost, Insurance, and Freight), and DDP (Delivered Duty Paid), providing flexibility to customers according to their preferences and requirements.

Branded under KASUGAI, these Stainless Steel Pipe Fittings are synonymous with quality and reliability. KASUGAI is a trusted name in the industry, known for its commitment to excellence and customer satisfaction. By choosing KASUGAI fittings, customers can be assured of superior performance and longevity.

Among the range of Stainless Steel Pipe Fittings available, customers can find a variety of fittings including Stainless Steel Tees, Stainless Steel Elbows, Stainless Steel Nipples, and more. Each type of fitting serves a specific purpose in the piping system, ensuring smooth flow and proper direction of fluids or gases.

Stainless Steel Tees are particularly important fittings that allow the diversion of flow in three directions, making them essential for branching pipelines or creating complex piping configurations. The Stainless Steel Tees offered are precision-engineered to provide a tight seal and reliable performance under various operating conditions.

Stainless Steel Nipples, on the other hand, are short sections of pipe that are used to connect two other fittings. These nipples play a crucial role in extending or reducing pipe lengths, facilitating the installation and customization of piping systems. The Stainless Steel Nipples available are durable and resistant to corrosion, ensuring a long service life.

In conclusion, the Stainless Steel Pipe Fittings from China, available under the KASUGAI brand, are premium products that offer durability, reliability, and performance. With a range of price terms to choose from and a size of 1/8, these fittings are suitable for diverse applications and are designed to meet the highest industry standards. Whether you need Stainless Steel Tees, Elbows, Nipples, or other fittings, these products are sure to meet your requirements and exceed your expectations.

Applications:

The KASUGAI Stainless Steel Pipe Fittings are highly versatile and suitable for a wide range of product application occasions and scenarios due to their premium quality and durability. The product includes various models such as **STAINLESS STEEL**, **DUPLEX**, and **SUPER DUPLEX**, ensuring that there is an option to meet different needs.

These stainless steel pipe fittings from KASUGAI, originating from CHINA, are certified with ISO and PED, assuring customers of their quality and compliance with international standards. The minimum order quantity and price are **TO BE NEGOTIATED**, providing flexibility for buyers.

With **SEAWORTHY PACKING** as the packaging details, customers can rest assured that their orders will be securely packaged for shipping. The delivery time for one container is **60 DAYS**, giving a clear timeline for when the products will arrive. Payment terms accepted include **L/C** and **T/T**, offering convenience to buyers.

With a supply ability of **100 TONS / MONTH** and a delivery rate of **100 Tons/month**, customers can rely on the consistent availability of these stainless steel pipe fittings. The KASUGAI brand is known for its commitment to quality and customer satisfaction.

Product Application Occasions and Scenarios:

Industrial pipelines

Chemical processing plants

Oil and gas refineries

Water treatment facilities

Construction projects

Whether it's for connecting pipes with **Stainless Steel Couplings**, joining sections with **Stainless Steel Unions**, or adapting to different pipe sizes with **Stainless Steel Couplings**, these pipe fittings from KASUGAI are designed to meet the diverse needs of various applications.

Packing and Shipping:

Product Packaging:

Our stainless steel pipe fittings are carefully packaged to ensure they arrive in perfect condition. Each fitting is individually wrapped in protective material to prevent scratches and damage during transit. The fittings are then placed in a sturdy cardboard box with ample cushioning to provide further protection.

Shipping:

We offer fast and reliable shipping for our stainless steel pipe fittings. Orders are typically processed within 1-2 business days and shipped using reputable carriers to ensure timely delivery. Customers can track their orders using the provided tracking information to monitor the shipment status. We take great care to package and ship our products efficiently to guarantee customer satisfaction.
