

Durable Stainless Steel Pipe Fittings with PER STANDARD Schedule and BSP End Connection at CIF

Our Product Introduction

for more products please visit us on flangespipefittings.com

Basic Information

- Place of Origin: CHINA
- Brand Name: KASUGAI
- Certification: ISO;PED
- Model Number: STAINLESS STEEL; DUPLEX ; SUPER DUPLEX
- Minimum Order Quantity: TO BE NEGOTIATED
- Price: TO BE NEGOTIATED
- Packaging Details: SEAWORTHY PACKING
- Delivery Time: 60 DAYS FOR ONE CONTAINER
- Payment Terms: L/C, T/T
- Supply Ability: 100 TONS / MONTH

Product Specification

- Standards: ASME B16.11, MSS SP 75, MSS SP 83, MSS SP 95
- Quality: Premium
- Origin: China
- Delivery: 100 Tons/month
- Application: FLUID; OIL & GAS; PETROL CHEMICAL; MECHANICAL
- Size: 1/8
- Packing: Seaworthy Packing

Product Description:

The Stainless Steel Pipe Fittings offered by KASUGAI are essential components in various industrial applications. These fittings are designed for durability, reliability, and performance, making them ideal for demanding environments. With a focus on quality and precision, KASUGAI ensures that each fitting meets the highest standards, providing customers with peace of mind and confidence in their operations.

Constructed from premium materials, including Stainless Steel, Duplex, and Super Duplex, these pipe fittings are built to withstand corrosion, high pressure, and extreme temperatures. The versatility of the materials allows for a wide range of applications, making them suitable for diverse industries such as oil and gas, petrochemical, chemical processing, and more.

The Stainless Steel Pipe Fittings are available in various configurations, including Stainless Steel Unions, Couplings, and Nipples. Each type serves a specific purpose, offering flexibility and adaptability in connecting pipes and components. The precision engineering and tight tolerances ensure a secure and leak-free connection, maintaining the integrity of the system.

With end connections compatible with BSP and NPT standards, these fittings provide ease of installation and compatibility with existing systems. The threads are designed for a tight seal, preventing leaks and ensuring a reliable connection. Whether for new installations or maintenance projects, these fittings offer convenience and efficiency in the assembly process.

As part of KASUGAI's commitment to quality, the Stainless Steel Pipe Fittings are certified with ISO and PED certifications. These certifications validate the adherence to international standards and regulations, ensuring that the fittings meet stringent requirements for performance and safety. Customers can trust in the reliability and compliance of these fittings for their critical applications.

When it comes to pricing, the Stainless Steel Pipe Fittings are offered at competitive rates based on the base material price. This pricing model allows customers to access high-quality fittings at cost-effective prices, making them a valuable investment for their operations.

The combination of quality, performance, and affordability makes these fittings a preferred choice among industry professionals.

In conclusion, the Stainless Steel Pipe Fittings from KASUGAI are a reliable and efficient solution for various piping systems. With a focus on quality, durability, and performance, these fittings deliver exceptional value to customers across different industries. Whether it's Stainless Steel Unions, Couplings, or Nipples, these fittings offer versatility, reliability, and precision in connecting pipes and components. Backed by ISO and PED certifications, customers can have confidence in the quality and compliance of these fittings. Choose KASUGAI for your stainless steel pipe fitting needs and experience the difference in quality and performance.

Features:

- Product Name: Stainless Steel Pipe Fittings
- Price: PER BASE MATERIAL PRICE
- Price term: FOB; CNF; CIF; DDP;
- Brand: KASUGAI
- Origin: China
- Delivery: 100 Tons/month
- Keywords: Stainless Steel Unions, Stainless Steel Couplings, Stainless Steel Tees

Technical Parameters:

Parameter	Value
Material	Stainless Steel; Duplex; Super Duplex
Size	1/8
Quality	Premium
Delivery	100 Tons/month
End Connection	BSP; NPT
Certification	ISO; PED
Brand	KASUGAI
Price term	FOB; CNF; CIF; DDP
Price	PER BASE MATERIAL PRICE

Applications:

KASUGAI Stainless Steel Pipe Fittings are versatile products suitable for a wide range of application occasions and scenarios due to their quality, durability, and premium materials. These fittings, available in Stainless Steel, Duplex, and Super Duplex models, are perfect for various industries and projects.

These pipe fittings from KASUGAI, originating from China, are certified with ISO and PED, ensuring high standards of quality and safety. The minimum order quantity can be negotiated, and the price is based on the per base material price, making it a cost-effective choice for different projects.

When it comes to packaging, KASUGAI Stainless Steel Pipe Fittings come in seaworthy packing, guaranteeing that the products reach their destination safely. The delivery time for one container is 60 days, and the payment terms accepted include L/C and T/T, providing flexibility to customers.

With a supply ability of 100 tons per month, these Stainless Steel Pipe Fittings are readily available for various requirements. The

materials used are of premium quality, ensuring longevity and reliability in diverse applications.

These fittings are suitable for a wide range of scenarios, including industrial piping systems, construction projects, water treatment facilities, and more. Whether you need Stainless Steel Nipples, Stainless Steel Elbows, or Stainless Steel Tees, KASUGAI has the right fittings to meet your specific needs.

Available in different schedules as per standard requirements, these pipe fittings are suitable for various price terms including FOB, CNF, CIF, and DDP, providing convenience and options for customers worldwide.
