

## NPT End Connection Stainless Steel Pipe Fittings The Perfect Combination for Fluid Transfer

Our Product Introduction

for more products please visit us on [flangespipefittings.com](http://flangespipefittings.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: KASUGAI
- Certification: ISO; PED
- Model Number: STAINLESS STEEL; DUPLEX ; SUPER DUPLEX
- Minimum Order Quantity: TO BE NEGOTIATED
- Price: PER BASE MATERIAL PRICE
- Packaging Details: SEAWORTHY PACKING
- Delivery Time: 60 DAYS FOR ONE CONTAINER
- Payment Terms: L/C, T/T
- Supply Ability: 100 TONS / MONTH

### Product Specification

- Quality: Premium
- Standards: ASME B16.11, MSS SP 75, MSS SP 83, MSS SP 95
- Material: Stainless Steel; Duplex; Super Duplex
- Price Term: FOB; CNF; CIF; DDP;
- Brand: KASUGAI
- Currency: USD; EURO; JPY
- Application: FLUID; OIL & GAS; PETROL CHEMICAL; MECHNICAL

## Product Description

### Product Description:

The Stainless Steel Pipe Fittings offered by KASUGAI are designed to meet the highest standards in the industry. Manufactured according to ASME B16.11, MSS SP 75, MSS SP 83, and MSS SP 95 specifications, these fittings are known for their exceptional quality and reliability.

As a premium brand in the market, KASUGAI ensures that each Stainless Steel Pipe Fitting meets the stringent requirements for durability and performance. The use of high-quality stainless steel materials guarantees longevity and resistance to corrosion, making these fittings ideal for a wide range of applications.

Whether you need Stainless Steel Unions, Stainless Steel Nipples, or Stainless Steel Elbows, KASUGAI has you covered with a comprehensive range of products to suit your needs. Each fitting is carefully crafted to ensure a perfect fit and seamless connection, providing you with peace of mind and confidence in your piping system.

When it comes to pricing, KASUGAI offers competitive rates based on the current base material prices. This transparent pricing model ensures that you get the best value for your money without compromising on quality. With KASUGAI, you can trust that you are investing in top-notch Stainless Steel Pipe Fittings that deliver exceptional performance at a fair price.

Furthermore, KASUGAI understands the importance of timely delivery, especially in the fast-paced industrial sector. With a production capacity of 100 tons per month, KASUGAI ensures that your orders are processed efficiently and delivered on schedule. This commitment to prompt delivery sets KASUGAI apart as a reliable and customer-focused supplier of Stainless Steel Pipe Fittings.

### Features:

Product Name: Stainless Steel Pipe Fittings

Certification: ISO; PED

Standards: ASME B16.11, MSS SP 75, MSS SP 83, MSS SP 95

Price term: FOB; CNF; CIF; DDP;

Size: 1/8

Origin: China

### Technical Parameters:

Material	Stainless Steel; Duplex; Super Duplex
Size	1/8
Origin	China
Schedule	PER STANDARD
End Connection	BSP; NPT
Brand	KASUGAI
Price	PER BASE MATERIAL PRICE
Packing	Seaworthy Packing
Application	FLUID; OIL & GAS; PETROL CHEMICAL; MECHNICAL
Price term	FOB; CNF; CIF; DDP;

### Applications:

Stainless Steel Pipe Fittings from KASUGAI are versatile products that find applications in various industries and scenarios. The product line includes couplings, tees, and nipples made from high-quality stainless steel, duplex, and super duplex materials. Originating from China, these fittings carry certifications such as ISO and PED, ensuring their quality and compliance with industry standards.

These stainless steel pipe fittings are suitable for a range of applications, including fluid systems, oil & gas pipelines, petrochemical plants, and mechanical installations. Their durability and corrosion resistance make them ideal for challenging environments where reliability is crucial.

The minimum order quantity for KASUGAI stainless steel pipe fittings is negotiable, allowing flexibility for different project requirements.

The pricing is also negotiable, with price terms available in FOB, CNF, CIF, and DDP options. The packaging details ensure safe transportation with seaworthy packing, and the delivery time for one container is 60 days.

Payment terms for these fittings include L/C and T/T, providing convenient options for transactions. With a supply ability of 100 tons per month, KASUGAI ensures a steady availability of stainless steel pipe fittings to meet varying demands.

Whether it's connecting fluid systems, structuring oil & gas pipelines, or supporting mechanical components, KASUGAI stainless steel pipe fittings offer reliability and performance. The 1/8 size option caters to different project requirements, making these fittings versatile for a wide range of scenarios.
