

ISO Certified Stainless Steel Pipe Fittings and USD Currency Guaranteed

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: KASUGAI
- Certification: ISO;PED
- Model Number: STAINLESS STEEL; DUPLEX ; SUPER DUPLEX
- Minimum Order Quantity: TO BE NEGOTIATED
- Price: TO BE NEGOTIATED
- Packaging Details: SEAWORTHY PACKING
- Delivery Time: 60 DAYS FOR ONE CONTAINER
- Payment Terms: L/C, T/T
- Supply Ability: 100 TONS / MONTH

Product Specification

- Origin: China
- Packing: Seaworthy Packing
- End Connection: BSP;NPT
- Standards: ASME B16.11, MSS SP 75, MSS SP 83, MSS SP 95
- Size: 1/8
- Delivery: 100 Tons/month
- Price Term: FOB; CNF; CIF; DDP;

Product Description

Product Description:

The Stainless Steel Pipe Fittings product offers a wide range of high-quality fittings suitable for various applications in industries such as fluid, oil & gas, petrol chemical, and mechanical. Made from durable stainless steel, these fittings are known for their excellent corrosion resistance, strength, and long-lasting performance.

Available in different types, including Stainless Steel Tees, Stainless Steel Elbows, and Stainless Steel Couplings, these fittings are designed to provide reliable connections in piping systems. With a monthly delivery capacity of 100 tons, customers can rely on a steady supply of these essential components.

Price terms for the Stainless Steel Pipe Fittings include FOB, CNF, CIF, and DDP, giving customers flexibility in choosing the most suitable option for their procurement needs. The product originates from China, known for its high-quality manufacturing standards and expertise in producing stainless steel products.

Customers can make payments in various currencies such as USD, EURO, and JPY, making transactions convenient and accessible to a global customer base. Whether you are looking to enhance your fluid handling system, oil & gas infrastructure, petrol chemical operations, or mechanical applications, these stainless steel pipe fittings are a reliable choice.

Features:

Product Name: Stainless Steel Pipe Fittings

Quality: Premium

Schedule: PER STANDARD

Standards: ASME B16.11, MSS SP 75, MSS SP 83, MSS SP 95

Certification: ISO; PED

End Connection: BSP; NPT

Applications:

KASUGAI Stainless Steel Pipe Fittings are versatile components suitable for various applications across industries. With models available in Stainless Steel, Duplex, and Super Duplex materials, these fittings offer reliable performance and durability. Originating from China, these fittings are manufactured under ISO and PED certifications to ensure high quality and safety standards.

The Stainless Steel Pipe Fittings are ideal for a wide range of occasions and scenarios. They are commonly used in industrial settings such as chemical plants, refineries, and oil & gas installations. The fittings are crucial in connecting and redirecting piping systems, ensuring efficient fluid flow and structural integrity.

Whether it's Stainless Steel Couplings, Elbows, or other fittings, KASUGAI offers a comprehensive range to meet diverse needs. The fittings adhere to industry standards such as ASME B16.11, MSS SP 75, MSS SP 83, and MSS SP 95, ensuring compatibility and ease of integration with existing systems.

Customers can benefit from the flexibility of ordering, with the Minimum Order Quantity being open for negotiation. The pricing is based on the base material price, providing transparency and cost-effectiveness. The fittings are packaged securely in seaworthy packing for safe transportation and storage.

For delivery, KASUGAI commits to a 60-day timeframe for one container, ensuring timely supply to meet project deadlines. Payment terms include options such as L/C and T/T for convenience. With a supply ability of 100 tons per month, customers can rely on a consistent flow of fittings to support their operations.

In terms of size and schedule, the fittings are available in 1/8 size and follow standard specifications. The brand's commitment to quality and performance is reflected in every aspect of the product, making KASUGAI Stainless Steel Pipe Fittings a reliable choice for various industrial applications.

Support and Services:

Our company provides comprehensive Product Technical Support and Services for our Stainless Steel Pipe Fittings product. Our team of experts is available to assist you with any technical questions, troubleshooting, and installation guidance you may require. Additionally, we offer maintenance services to ensure that your Stainless Steel Pipe Fittings continue to perform optimally over time. Please don't hesitate to reach out to us for any support you may need.
