

ASME/JIS/DIN/EN 304/L 304H 316/L fitting nipple/union/Tee/Elbow /Cap for pipe

Basic Information

- Place of Origin: CHINA
- Brand Name: KASUGAI
- Model Number: ASTM/DIN/JIS
- Minimum Order Quantity: 1pcs
- Price: USD
- Packaging Details: carton box
- Delivery Time: 60days depends on quantity
- Payment Terms: T/T100%ADVANCE
- Supply Ability: 1500t/month

Product Specification

Product Description

Stainless Steel Welded Pipe Fittings | Kasugai – Japan Brand

We supply a full range of high-quality **stainless steel welded pipe fittings**, widely used in petrochemical, food processing, pharmaceutical, and power industries. All products comply with **ASME, JIS, DIN, and EN standards**, ensuring compatibility with global engineering specifications.

Product Range:

Materials: 304 / 304L / 304H / 316 / 316L Stainless Steel

Standards: ASME / JIS / DIN / EN

Fitting Types:

Nipple

Union

Tee

Elbow

Cap

Applications: Designed for welded piping systems with excellent corrosion resistance, durability, and pressure tolerance.

About the Brand:

We proudly represent **Kasugai**, a **century-old Japanese brand** known for its precision machining and strict quality control. As one of Japan's trusted names in stainless steel components, Kasugai products are widely recognized for their **reliability and superior craftsmanship**.

All fittings are delivered with a **Material Test Certificate (MTC)**, ensuring full traceability and compliance with international quality standards.

We are committed to providing **stable delivery, consistent quality, and professional service**. Feel free to contact us for project inquiries or custom specifications.
