

seamless carbon steel pipe ASTM A53 SCH40/80

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: KASUGAI
- Model Number: ASTM A53
- Minimum Order Quantity: depends on location.
- Price: USD
- Packaging Details: pallet
- Delivery Time: 30days depends on quantity
- Payment Terms: T/T100%ADVANCE
- Supply Ability: 1500t/month

Product Specification

Product Description

Product Introduction: Seamless Carbon Steel Pipe

Brand: KASUGAI (Japan)

Origin: Made in China under Japanese Quality Control

Product Name:

Seamless Carbon Steel Pipe – ASTM A53 SCH40 / SCH80

Size Range:

1/2" – 24" (DN15–DN600)

Wall Thickness Range:

SCH 5S to SCH XXS

Length:

Customizable according to your requirements (standard or cut-to-length)

Standards Available:

ASTM (A53, A106), JIS, DIN, EN

Material Grade:

Carbon Steel (Gr A / Gr B and others as per customer request)

Certification:

Mill Test Certificate (MTC) issued by KASUGAI

Third-party inspection available upon request

Applications:

KASUGAI seamless carbon steel pipes are widely used in:

Water and gas transmission

Oil and petrochemical industries

Power plants and boilers

Structural and mechanical applications

Fire protection piping systems

Low- to medium-pressure piping

Thanks to the seamless structure, our pipes provide higher strength, better pressure resistance, and improved reliability in critical applications.

Why KASUGAI:

Japanese brand with over 100 years of history

Reliable manufacturing in China under strict QC

Flexible production for both standard and customized requirements

Competitive pricing with stable lead times

For full specifications and pricing, please refer to our catalog or contact us directly.

We look forward to becoming your trusted supplier.
